Winter synchro starts October 3, 2007 and runs to March 26, 2008 for those who attend the mandatory session and are selected. A separate registration will take place for the Winter Program (refer to Club website for details.)

Synchronized skating, or "synchro", is a specialized discipline of skating involving groups skaters performing various group formations and manoeuvres to music of the team's choice. The term "synchronized skating" reflects the importance of unison, the accuracy of formations and the precision of the team. The objective is for the team to perform as one unit, executing circles, blocks, lines, wheels and intersections in unison to the music, while demonstrating quality edges, power and flow.

The Goulbourn Silhouettes became a synchronized skating team in 2002. They are a group of dedicated, hard-working and diligent skaters. As the Goulbourn Skating Club has grown, so too has the Synchro Program. A skater may enrol in SynchroSkate in addition to or instead of STARSkate. The Silhouettes skate as part of Festival SynchroSkate, which program was introduced by Skate Canada in 2000, with the first National Festival SynchroSkate competition held in April 2001. Festival SynchroSkate provides recreational synchronized skating teams the opportunity to compete at various competitions throughout the year. The Silhouettes usually compete in one or two competitions throughout the season and in addition to local ice shows.

The Goulbourn Skating Club relies entirely on volunteers and strongly encourages parent participation. If you can help in any way, or if you have any questions, please feel free to contact the Goulbourn Skating Club
